

Policy

GOALS & OBJECTIVES

Code GAA Issued 01/28/22

All departments of the school district exist for one purpose - to facilitate the development of students.

The excellence of all employees will ultimately determine the success of the educational program.

It will therefore be the policy of the Board to hire and retain qualified employees for all certified/professional and classified positions.

Adopted 1/30/90; Revised 01/28/22
