

Policy

ADMISSION OF HOMELESS STUDENTS

Code JBCC Issued 3/16/22

Homeless students in the District will have access to the education and other services needed to ensure that an opportunity is available to meet the same academic achievement standards to which all students are held.

A liaison for students in homeless situations will be designated by the District to carry out duties as required by law.

The District will ensure that homeless students are not stigmatized nor segregated on the basis of their status as homeless. A homeless student will be admitted to the District school in the attendance area in which the student is actually living or to the student's school of origin as requested by the parent/legal guardian and in accordance with the student's best interest. Transportation will be provided to and from the student's school of origin at the request of the parent/legal guardian, or in the case of an unaccompanied student, the District's liaison for homeless students.

An unaccompanied youth or the parent/legal guardian of a homeless student may request a State-level review of the District's final decision regarding an enrollment issue. Under no circumstances will the resolution of a dispute delay the enrollment of said student.

The District will not deny any admission to any student on the basis of race, religion, color, creed, sex, sexual orientation, immigrant status or English-speaking status, national origin, or disabling condition.

The Superintendent will develop administrative procedures to implement this policy.
