**TOBACCO-FREE SCHOOLS – STUDENTS**

*Code JCDA* Issued 3/16/22

---

The Board affirms that tobacco use and exposure to secondhand smoke (environmental tobacco smoke) are hazardous to the health of human beings, especially children. Therefore, the Board believes that it is essential to maintain a 100 percent tobacco-free environment in order to ensure students and staff have access to the healthiest, most productive learning environment possible.

For purposes of this policy:

*Tobacco product* means a product that contains tobacco and is intended for human consumption, including but not limited to, cigarettes, cigars, chewing tobacco, and snuff.

*Alternative nicotine product* means any vaping product, whether or not it contains nicotine, including but not limited to, electronic smoking devices that can be ingested into the body by chewing, smoking, absorbing, dissolving, inhaling, or by any other means.

The Board commits to the following:

- maintaining a 100 percent tobacco-free, smoke-free environment for all students, staff, parents/legal guardians, contract and other workers, volunteers, visitors, and other members of the public within all district facilities, vehicles, and grounds. This includes any building, facility, and vehicle owned, operated, leased, rented, or chartered by the district and applies to all school-sponsored or school-related events on or off school grounds. This also includes while performing any job responsibilities or participating in any school activities virtually, or through any use of technology,
- prohibiting the use of any tobacco product or alternative nicotine product by all students and staff within all district facilities, vehicles, and grounds. This includes any building, facility, and vehicle owned, operated, leased, rented, or chartered by the district and applies to all school-sponsored or school-related events on or off school grounds. This also includes while performing any job responsibilities or participating in any school activities virtually, or through any use of technology.
- prohibiting the use of any tobacco product or alternative nicotine product by persons attending a school-sponsored event when in the presence of students or staff or in an area where smoking or other tobacco use is otherwise prohibited by law
- prohibiting the possession of all tobacco products, alternative nicotine products, or associated paraphernalia
- utilizing a proven and effective science-based tobacco use prevention curriculum
- providing access to cessation counseling or referral services for all students and staff
