

Thanks for your interest

We appreciate your interest in our superintendency. We're excited about the search and confident that our process will help us choose the right leader for our children.

We've made tremendous progress in all aspects of our district under the leadership of Gene Moore, who's retiring after 11 years as superintendent, and Dr. Patricia Burns, who retired after 10 years in our district with four years as superintendent.

The programs started under their leadership – from professional development to academic assistance to a literacy initiative to \$199 million bond referendum we passed in March – are paying great dividends for our students, teachers and district. We're looking for a leader to build on these accomplishments so that we can achieve our ultimate goal of every student achieving success.

Click here for an [application](#) and a [brochure](#) about our district, our county and our superintendency. We've also enclosed our [Learning newsletter](#), a secondary [course guide](#) and a [board meeting summary](#). We hope these publications give you an idea of who we are and the kind of leader we're seeking.

We also encourage you to visit our district website for more information on our programs and policies – www.lancastercsd.com.

If, after you read these publications, you believe you're right for the position and that our district offers you the opportunities and challenges you're seeking, we hope you'll apply. We hope to receive a quality pool of applicants to consider.

Thanks again for your interest. If you have other questions, please contact Dr. Jimmy Littlefield, 1650 Caldwell Road, Campobello, S. C. 29322, **Phone:** 864-804-7683 **Email:** alittlefield@windstream.net.

Sincerely,

A handwritten signature in black ink, appearing to read "Bobby Parker".

Bobby Parker
Chair
Board of Trustees
