Welcome–

BCB

The chair welcomed the public to the meeting on behalf of the board.

Public hearing for FY 2016-17 general fund and debt service budgets and receipt of public input regarding the design, planning and implementation of 2016-17 Title I, Title II-Part A, Title III, Carl D. Perkins Career & Technical Education Act and IDEA (Special Education) Funding

DCDB

The chair noted that during the board's May 3 work session and May 17 regular board meeting, the board reviewed a proposed budget based on the best information our finance office had on state revenues. *The Lancaster News* and the *Carolina Gateway* did front-page stories on that proposed budget.

And this year, the district, as it does every year, placed ads in local newspapers outlining the budget and how it will change from the year before. State law requires that the district run one ad at least two weeks before the proposed budget is voted on by the board.

Although the law requires publication only once in one newspaper, the district ran the ad in *The Lancaster News* two days – June 10 and 12 – and in the *Kershaw News-Era* June 14.

The district also ran two ads in the *Lancaster News* and an ad in the *Kershaw News-Era* inviting the public to come sit down with the superintendent June 21 to take a look at the budget.

No one addressed the board.
