Perkins Career & Technical Education Act and IDEA (Special Education) Funding**

The chair noted that during the board's May 18 regular board meeting, the board reviewed the proposed budget based on the best information our finance office had on state revenues.

And this year, the district, as it does every year, placed ads in local newspapers outlining the budget and how it will change from the year before. State law requires that the district run one ad at least two weeks before the proposed budget is voted on by the board.

Although the law requires publication only once in one newspaper, the district ran the ad in The Lancaster News two days – May 16th and 26th, and The Kershaw News Era on June 1st.

No one addressed the board.
