

What is a Title I Schoolwide Program?

The purpose of a Title I Schoolwide Program is to update the entire educational program in a school to support systemic reform.

- ▼ **A Title I Schoolwide Program...**
- ▼ is built on schoolwide reform strategies, rather than separate, add-on services.
- ▼ provides flexibility in spending Title I funds.
- ▼ permits flexibility to combine other federal funds in support of the schoolwide program.
- ▼ focuses on results.

Research about what makes schools work for disadvantaged students shows that...

- ▼ every child's performance is negatively affected in schools with high concentrations of poverty;
- ▼ many Title I "pull-out programs" only add, on the average, ten minutes of extra instruction a day, and generally do not significantly raise the achievement of the children served;
- ▼ for the lowest achieving students in the highest poverty schools to meet high standards of performance, their entire instructional program, not just a separate Title I program, must be substantially improved;
- ▼ educators in highly successful schools expect high academic achievement from every child; and
- ▼ when an entire school is a target of change, schools serving the most disadvantaged youth can achieve success.

Why plan and implement a Title I Schoolwide Program?

A Title I Schoolwide Program offers a school community the opportunity to...

- ▼ comprehensively plan the overall educational program for all children in the school.

- ▼ come together with one another, eliminating the isolation that characterizes working conditions for many educators.
- ▼ address the needs of the students in an integrated way.
- ▼ spend federal resources in ways the school determines can most effectively raise student achievement.
- ▼ stimulate comprehensive reform of the entire instructional program provided to children, rather than operate separate and fragmented add-on programs.

Which schools are Title I schools in 2015-16?

- ▼ Brooklyn Springs Elementary
- ▼ Buford Elementary
- ▼ Clinton Elementary
- ▼ Erwin Elementary
- ▼ Heath Springs Elementary
- ▼ Kershaw Elementary
- ▼ McDonald Green Elementary
- ▼ North Elementary
- ▼ South Middle

How does a school become a Title I Schoolwide Program?

- ▼ The school meets the eligibility requirement for Title I service and for Schoolwide status of 35% or greater free and reduced lunch. The LEA also must have sufficient funds to serve the school.
- ▼ The school, in consultation with its district, de-

terminates it wants to become a Title I Schoolwide Program.

- ▼ High-quality assistance and support are available to the school as it plans.

How long must a school plan for a Title I Schoolwide Program?

The school must plan for one year.

Who must be involved in the development of the plan?

The law requires the involvement of the community to be served and individuals who will carry out the plan. This includes:

- ▼ Teachers
- ▼ Principal
- ▼ Student Services personnel
- ▼ Other school staff
- ▼ Parents
- ▼ Community members
- ▼ Students (in secondary schools only)

Steps in planning the program

- Step 1** Establish a planning team.
- Step 2** Obtain high quality technical assistance and support from other providers of assistance.
- Step 3** Conduct a comprehensive needs assessment of the entire school.
- Step 4** Complete the one-page needs assessment summary of priority needs.
- Step 5** Investigate the research base.
- Step 6** Identify activities to meet the required strategies from the Title I law and meet the identified needs from the needs assessment summary.
- Step 7** Incorporate the research into the plan.
- Step 8** Review and modify the draft plan.
- Step 9** Complete the final plan. Involve parents, identify training and staff development activities, and include a clear timeline with assigned responsibilities.

What are our district's Title I initiatives?

Our district set aside \$502,419 from the total Title I allocation for 2015-2016 to support several district initiatives with a focus on literacy and required set-asides.

Plans from the initiatives resulted from examination of our data, the latest ESEA waiver information, consultation of our district corrective action oversight team and our strategic plan.

Our district initiatives include

- ▼ Professional development with High-Progress Literacy
- ▼ Extended Learning Coordinator
- ▼ Instructional Specialist – Technology

Our parent involvement initiatives

- ▼ Parent Involvement is an integral part of the Title I district program.
- ▼ Parents are encouraged to become partners in helping their children achieve and become actively involved in all aspects of the process of the Title I program.
- ▼ Opportunities for active parent involvement include, but are not limited to, open house, school-parent compacts, Blackboard Connect, parent workshops, parent surveys, parent-teacher conferences, PTA, PTO, SIC, newsletters and more.
- ▼ The ESEA waiver legislation requires schools to utilize a portion of their Title I funds to support parent involvement.
- ▼ Parents should contact the school principal with any comments or suggestions regarding parent involvement expenditures.

Our school-wide Title I initiatives

- ▼ Our Title I schools have identified activities to fund under this federal program through school-based needs assessments conducted with parent involvement and supported by scientific research.
- ▼ Each school project is available to parents for review and comment at the school level.
- ▼ Over \$2.6 million of our district's Title I 2015-16 allocation is designated for school activities.
- ▼ Examples of funded activities

► Brooklyn Springs Elementary

- Three class size reduction teachers, three instructional assistants, parent coordinator, instructional software, professional development, instructional materials and supplies, books for classroom libraries

► Buford Elementary

- Three class size reduction teachers, one computer lab assistant, instructional coach, instructional software, professional development, technology equipment and licenses, instructional materials and supplies, books for classroom libraries

► Clinton Elementary

- Four class size reduction teachers, parent coordinator, instructional software, professional development, instructional materials and supplies, books for classroom libraries

► Erwin Elementary

- Three class size reduction teachers, part-time literary interventionist, three instructional assistants, computer lab assistant, instructional software, instructional materials and supplies

► Heath Springs Elementary

- One class size reduction teacher, one interventionist, science lab assistant, parent coordinator, instructional software, instructional materials and supplies

► Kershaw Elementary

- Three class size reduction teachers, parent coordinator, instructional assistant, instructional software, professional development, instructional materials and supplies

► McDonald Green Elementary

- Three class size reduction teachers, parent coordinator, technology equipment and software, instructional software, instructional materials and supplies

► North Elementary

- Three class size reduction teachers, one computer lab assistant, Impass teacher, instructional software, instructional materials and supplies

► South Middle

- Three class size reduction teachers, one computer lab teacher, one instructional assistant, technology equipment and software, instructional software, instructional materials and supplies
