Weighting of courses

Three levels of weighting

The levels of weighting and their definitions are

- College Prep/Tech Prep – Courses designed to prepare students for college, technical school or for the workplace
- Honors
 - Courses designed to prepare students for and culminate in advanced placement courses
 - College-level courses approved for dual credit by the Board of Trustees. A specific listing of honors courses can be found in the Course Guide, published each spring
- Advanced placement – Courses that follow the advanced placement curriculum as outlined by the College Board
