

# DRIVE-THRU FLU SHOT CLINIC FOR STUDENTS

Lancaster County School District is partnering with DHEC again this school year to provide free flu vaccines to our students. Unlike flu clinics in the past, this year's flu clinics will be drive-up clinics. A consent form must be completed for each child. The consent form may be found on school websites. For a hard copy of the consent form, parents should contact their child's school nurse.

## Clinic Sites, Dates & Times

- Monday, October 26  
Kershaw Elementary 3-6 p.m.
- Thursday, October 29  
North Elementary 3-6 p.m.
