Our facilities

Date main building was built: 2002 **Date of renovations:** N/A
Square feet: 120,000 **Number of computers:** 302 **Number of classrooms:** 54
Specialty areas: 5 computer labs

Our school programs

- **The International Baccalaureate – Middle Years Program (IB-MYP)** is designed for students between the ages of 11 and 16. The program strives to provide students with a more global approach to learning during this time of their lives when changes come quickly. The program focuses on developing students' awareness of themselves and their environment. Teachers are trained in methodologies and approaches to enable them to provide students with an effective and innovative educational experience. The goal is to assist students in developing the knowledge, skills, and attitudes they need to participate actively in a changing and increasingly interrelated world. Teachers guide students in learning how to learn and how to evaluate information critically.
- **Single Gender** – We at A.R. Rucker Middle School are committed to providing students with the opportunity to excel using research-based strategies and allowing parents a choice in the educational process. Single gender education means that boys and girls learn the same standards but in different ways.
- **RUMBLE (Rams Unite Monthly Building Literacy Experiences)** – Once a month, all Rucker students and faculty participate in RUMBLEs. Each literacy experience connects with one of the IB-MYP Learner Profile characteristics. For instance, when students learn about inquiry, they ask questions to learn more

about each other. When the focus was open-mindedness, students used Google Earth to learn about different ways people around the world celebrate birthdays. Then, they wrote about favorite birthday experiences. No matter the topic, RUMBLES bring us together.

- **RAM Tough Book Clubs – R(eading) A(nd) M(eeting)** – Clubs are small voluntary book clubs held during lunch. Teachers facilitate small groups of students who choose to meet and discuss a particular book while they eat lunch.
- **Food for Thought** – Students who demonstrate they are exemplary readers and writers are invited to a quarterly lunch in the media center. The focus of these luncheons varies. Local authors may describe their writing process, the media specialist might book-talk great new books or students might design book promotion tools to air on Rucker AM. Other reading incentives include “Reading is POPular” and the SCJBA voting party.

Our co-curriculum, clubs, athletics

- **Beta Club** – This nationally recognized organization runs the school bookstore and provides many service-related projects for its members.
- **Football** – This sport is available to our 7th and 8th grade students.
- **Basketball** – This sport is available to our 7th and 8th grade students.
- **Volleyball** – This sport is available to our 7th and 8th grade students.
- **Cheerleading** – This sport is available to our 7th and 8th grade students.
- **Band** – All interested students are encouraged to participate. We strive to provide instruments for students who may not be able to afford one. The band performs at pep rallies, ballgames and semi-annual concerts. Rucker also provides classes for Chorus and Piano Lab.
- **Step Team** – The Rucker Step Team is comprised of 6th through 8th grade students who exhibit a strong sense of dedication and cooperation. These students practice two to three times weekly to unify their step performance. Steppers compete in competitions, perform in community service events and perform at school functions.
- **Robotics** – Students build and program robots that complete specific tasks. They also research major problems that affect the world and present creative ways to solve the problems. The team has qualified for state competition and looks forward to a new season thanks to PTA sponsorship.
- **Relay for Life School** – A.R. Rucker sponsors a team each year for Relay for Life as part of our Community and Service for the International Baccalaureate Middle Years Programme (IBMYP). Our team name is Buddies Against Cancer: B.A.C. Pack.

- **Rucker AM** – This news crew prepares the broadcast each morning. Anchors, technical directors and special correspondents develop the content of each program.

Our parents/parent support programs

- **School Improvement Council** – This group meets on a monthly basis to discuss school-related issues and concerns.
- **Parent – Teacher Association** – During regular PTA meetings, groups of students, such as our band, chorus, Steppers, athletic teams, and Academic Scholars, are highlighted. The executive board meets monthly with an administrator and teacher representative to discuss items of interest and concern. The PTA sponsors a yearly fundraiser as well as other activities for the school.
- **eChalk** – A website that keeps parents informed about class activities, upcoming deadlines and student progress. Parents can register on this site to receive email alerts about upcoming homework and projects.
- **PowerSchool for Parents** – A website parents can use to view a student’s grades and attendance.
- **Facebook** – A website to view news and pictures of our school community. Search “Rucker Middle.”
- **ConnectED** – An automated phone system used to inform parents and students of important school announcements. Messages are sent weekly.

Our school strengths

- **Student Centered** – In all administrative decisions made at A.R. Rucker, the student comes first.
- **Friendly** – The staff takes great pride in our Red Carpet status and intend for our customer service philosophy to continue in our future.
- **Open Minded Staff** – The teachers at A.R. Rucker are willing to try something different if a student will benefit. Teachers share ideas to help one another.

Our improvement/growth areas

- **Achievement Gap** – There is a clear need for a larger number of our students to become engaged in all academic areas. We believe our test data would show positive gains as we continue to work close the gap between our higher and lower socioeconomic students.

Our honors & awards

- **IB-MYP World School** – A.R. Rucker has been an IB World School since August 2008. The IB-MYP is designed for students aged 11-16. This period, encompassing early puberty and mid-adolescence, is a

particularly critical phase of personal and intellectual development and requires a program that helps students participate actively and responsibly in a changing and increasingly interrelated world. Learning how to learn and how to evaluate information critically is as important as learning facts.

- **Palmetto Gold and Silver Awards Program** – A.R. Rucker has earned the Silver Award for Academic Achievement.
- **Beginning Teacher of the Year** – Our school has had recipients for the last two years.
- **Volleyball** – Our volleyball team was undefeated 2011-12.
- **Basketball** – Our girls' basketball team has been undefeated the last two years.
- **Relay for Life** – Our school has donated more money to RFL than any other school in the district.
- **New iPad Cart** – Our school looks forward to using this new technology we received through a district grant.
- **Band** – Our band received a Superior rating at a recent competition.
- **Jr Scholars** – In 2011-12, our school had more Jr Scholars and all A's than any other school in the district.
- **S.C. Jr Book Award** – Rucker Rams have placed in this program three different times.
