Our school programs

- **Exploratory Opportunities** – We offer courses to foster the arts and interests of our middle school students outside the classroom. We have a very strong arts program which includes choral music, drama, piano, band and all art mediums.
- **Student recognition** – We focus on recognizing students for both academic and character excellence. Rewards are given weekly, monthly, and each grading period.
- **Uniform Dress Code** – The uniform dress code outlines basic colors and styles that may be worn.
- **Service Learning** – Each year, our students log many hours in service learning.
- **Character Education** – This program supports academic achievement and improves discipline for our school. We believe a strong character promotes excellence in all walks of life.
- **Literacy Program** – We have a strong reading program that encourages students to become life-long readers. This includes a summer reading program with many incentives for our readers.
- **MMGW** – Buford Middle School is a Making Middle Grades Work site. This program focuses on building a strong academic core with student success a focal point.
- **NetScope** – Buford Middle School is a part of the NetScope program. This allows us to partner with Winthrop University to foster teacher growth and effectiveness.

Our co-curriculum, clubs, athletics

Community Food Bank (HOPE)	Dystrophy	Hoops-for-Hearts Relay for Life Team

Our parents/parent support programs

- **PTO** – Our Parent Teacher Organization is a strong supporter of our school. This group of dedicated individuals helps raise money to support our school in all areas and helps promote the many positive things that are happening in our school.
- **SIC** – Our School Improvement Council meets quarterly to discuss school-related issues and concerns.
- **Powerschool** – This web-based program allows parents to access their child's grades daily.
- **Progress Reports & Report Cards** – Our grade reporting system allows parents to receive hard copies of grades every four and one-half weeks.
- **PowerSchool** – This web-based program has a parent portal that allows parents to access grades immediately. It also has a mobile app for phones.
- **P-University** – Parent University classes are offered to parents each semester to help them become more knowledgeable about student activities.

Our school strengths

- **Strong, dedicated faculty and staff** – Most of the teaching staff at BMS has advanced educational degrees and many years of experience. Many hold National Board Certification. They are a group of caring individuals who are willing to do whatever is necessary to ensure student success.
- **Community service focus** – Our student body and faculty participate in programs designed to make the world a better place. From adopting highways to collecting food for Hope, our students have shown their willingness to give of themselves.
- **Student-centered school** – BMS is a student-centered school. All decisions are based around what is best for students.
- **Small, rural school** – Buford Middle School is a small school, free of many of the troubles that plague larger facilities. The Buford schools are located in close proximity, which allows students easy transition from one school to another.
- **PTO/SIC Involvement** – These organizations are very strong and are willing to work diligently toward goals set. They raise large amounts of money each year to be used for the improvement of the school. This group also provides invaluable insight into the direction they feel will benefit the school.
- **Literacy Program** – Our literacy program has won local and state honors.
