Square feet: 28,420 **Number of computers:** 150 **Number of classrooms:** 20

Specialty areas: Houses Discovery School, EAGLE Program and Student Services

Our school programs

Charter School – Discovery School is the district’s public charter school. We enjoy a very close working relationship with our sponsor, the Lancaster County School District.

Let’s Think – Created through the Greenville County gifted and talented program, Let’s Think exposes all students in grades 1 & 2 to critical and creative thinking skills in a consistent and systematic manner.

Core Knowledge Curriculum – Based on the work of Dr. E. D. Hirsch and the Core Knowledge Foundation, this rigorous curriculum exposes students to advanced content and concepts while linking academics and the fine arts.

Spanish – All students in grades K-5 have the opportunity to listen, speak and write as they study the basics of this foreign language.

Japanese – Through an internship program with Nihon University in Tokyo, each year our students have the opportunity to learn about the culture and language of the Japanese people.

Parents-as-Partners Agreement – Parents are viewed as full partners in their child’s education at Discovery School. Our contract specifies roles and responsibilities and includes a 30-hour per family annual volunteer commitment.

Our co-curriculum, clubs, athletics

Service Learning – A time slot is provided weekly in conjunction with our character education program.

Junior Achievement – All students in all grade levels participate each year.

Student Council – Open to students in grades three through five.

Our parents/parent support programs

Parents-as-Partners Agreement – Parents are viewed as full partners in their child’s education at Discovery School. Our contract specifies roles and responsibilities and includes a 30-hour per family annual volunteer commitment.

Advisory Board – Composed of parents, educators, and business and community leaders, this twenty-member board meets quarterly to plan and implement school-wide initiatives.

Executive Committee – Elected by parents and employees of the school, this seven-member panel is the governing board for the school. The Executive Committee meets on a monthly basis.

PTO – Our parent-teacher organization is responsible for disseminating information to parents, organizing fundraisers, suggesting school purchases, and many other tasks. Officers meet on a monthly basis. There are four school-wide PTO meetings each year.

Specialty Task-forces – These taskforces are chaired by members of the school’s advisory board and include the following: public relations, recruitment, and facilities.

Parent Workshops – These are offered each twelve weeks on a variety of topics including Positive Discipline, Multiple Intelligences, and Brain Research and Learning.

Parent Workdays – Twice each year parents and other family members are invited to take part in clean-up, fix-up days at the school.

Annual Culminating Festival – All students and parents, at all grade levels focus on a specialty area (International Festival, Core Knowledge Festival, Discover Lancaster Festival, STEM Festival, etc.) each year that celebrates the multiple intelligences.

Student Parent Teacher Conferences – Held three times annually, all parties have input into the creation, refinement, and implementation of Personal Education Plans for each child served at Discovery School.

Our school strengths

Parent Support – Each year, over 3,000 volunteer hours are logged by our parents and other family members.

Academics – Blending state content standards with Core Knowledge standards results in high academic achievement.

Personal Education Plans (PEP) – Each student at Discovery School has a PEP that is tailored to the unique intelligences of the student. These are created through a collaborative effort with the student, parents and teachers.

Multiple Intelligences Theory Implementation – Gardner’s Theory of Multiple Intelligences is applied in every content area every week. Students have access to our Multiple Intelligences Flow Room on a regular basis.

G/T Strategies – Programs such as Problem-Based Learning and Brain Boosters are used with all students to increase academic proficiency and creative fluency.

Multi-Cultural Focus – Spanish, Japanese, world history and geography are taught at each grade level.

Positive Discipline – Used consistently throughout the school year in all classes, this program focuses on development of self-discipline, problem-solving and cooperation.

Our honors & awards
