Our focus

Our department focuses on the nutritional integrity of the school food service program in the schools of Lancaster County. We strive to provide students with nutritious and healthy meals everyday at a reasonable cost.

Our functions

- Serve 21 schools with self-contained kitchens
- Feed an average of 3,200 students for breakfast and 8,400 students for lunch daily
- Employ 175 full and part-time employees
- Process and maintain free and reduced meal applications for all the schools
- Order food and supplies for all the cafeterias
- Secure bids for cooking and prepping equipment
- Serve as a vendor to the Early Headstart and Headstart programs that are housed in one of our schools
- Prepare budget for 21 schools plus Food Service Department
- Pay invoices for 21 school cafeterias
- Create and develop breakfast and lunch menus for all grades and programs
- Serve afternoon snacks to eight elementary schools/two middle schools
- Ensure that all cafeterias adhere to and comply with all local, state and federal guidelines

Our department strengths

- Strive to stay within our budget and maintain affordable lunch prices
- Provide training opportunities for all employees
- Work as a team
- Computerize all free and reduced meal applications; family application system in place
- Put computer point-of-sale systems in all the cafeterias
- Manage a computer-based system to maintain the integrity of nutrition and food services
- Communicate with the public via department website
