Our department strengths

- **Technological Advancement:** The following technological advances were made to further meet the growing needs of applicants, employees, and other stakeholders:
 - 2012 – Implemented an online application system (AppliTrack)
 - 2013 – Implemented online substitution system (AESOP)
 - 2015 – Implemented electronic distribution of employment contracts
 - 2016 – Implemented an online training system (SafeSchools)
- **Restructured Benefits:** Partnered with outside insurance management group to offer quality personal service for all employees. Together, we assist with new hire orientations and annual and open enrollment to ensure all employees are provided timely information to aide in making informed decisions regarding their benefit options.
- **Data Organization and Record Keeping:** All records are assessable and maintained in a professional manner.
- **Mentoring through STARTS program:** Provides assistance to first-year teachers.
- **Provide pertinent data to all district personnel:** Completes requested information in a timely and efficient manner for over 1,600 employees.
- **Available to provide assistance to all employees:** Staff remains willing to assist others via phone, email and in person.
