Our school programs

- **After-School Childcare** – We offer childcare for students currently enrolled at the school as well as those who attended in previous years. Hours of operation are 2:15 until 6:00.
- **Summer Day Camp** – We offer this childcare program during the summer to any child in Lancaster County ages 5 to 12. The program offers children the time to learn, play and explore new horizons.
- **Reading Counts** – To encourage students to read for pleasure. Different goals are planned throughout the year including a Great Wolf Lodge trip and a year-end picnic for top readers.
- **Family Literacy Night** – Parents and students read and write in order to strengthen the students reading skills as well as family relations.
- **Arts in Basic Curriculum Site**
- **Distinguished Arts Program**
- **Third through Fifth Grade Math and Reading Labs** – McDonald Green offers special math and reading labs based on MAP scores.

Our co-curriculum, clubs, athletics

- **Chorus** – Consists of students in grades four and five
- **Percussion Ensemble** – Consists of students in grade five
- **Mini-Society Jobs** – Open to students in third through fifth grades. This program is designed to increase student knowledge of service learning.

McDonald Green Elementary

- **Parent Coordinator** – Liaison between school and parents ensuring all parents are aware and participate in school events.

Our school strengths

- **Media Center** – The Media Center at McDonald Green offers extended hours for student research and family literacy. Our Media Specialist goes above and beyond to implement programs and activities that involve the students in increased literacy time such as The Living Museum, Black History Parade and Reading Counts.
- **Computer lab & Net Book Lab** – McDonald Green has a full time teacher who serves as the instructor of our computer lab. The students use Study Island, Reading Eggs, Class Works and IXL computer programs that develop critical thinking skills in all 4 academic content areas.

- **Science Lab** – McDonald Green has a full time science lab that offers hands on instruction and experiences that enhance regular classroom science lessons.
- **Arts-ABC Site School** – Infusing the arts into core academic classes.
- **Media Center** – The character education program supports academic achievement, improved discipline, and workforce readiness.
- **MGE’S Shining Stars** – Students are recognized each month for exhibiting great character traits.
- **eChalk** – We will continue our focus using eChalk web pages to communicate important information to parents and students.
- **Study Island** – Computer program designed to assist students in math and reading. The program can be accessed at home.
- **Portable iPad Lab** – iPads are used to enhance classroom learning experiences.
- **Portable Smart Tables** – Hands-on technology for primary students.

Our honors & awards

- **Red Carpet**, 2003 and 2006
- **Academic Challenge Champions**, 2002 and 2005
