

## CLINTON ELEMENTARY SCHOOL SIC ANNUAL GOALS

1. Increase student achievement through examining student academic data and providing differentiated instruction aligned to the Reading and Math South Carolina Standards.
2. Increase students' overall well-being by implementing a true MTSS' model that focuses on the overall development of the whole child which will inevitably lead to students' overall acceleration in all content areas.

## CES ACHIEVEMENTS

Clinton Elementary is a Title I school nestled in the center of downtown Lancaster, South Carolina. Clinton's staff is committed to excellence by preparing children to become lifelong learners, in order to be successful in a challenging world. CES staff is working diligently to improve academics by focusing on math concepts and balanced literacy. Our teachers receive ongoing professional development and weekly collaboration with our literacy and math coach to plan whole-group and small-group instruction. One of our main goals for the 2022-2023 school year is to successfully complete LETRS training with Kindergarten through 3rd Grade

CES believes that community involvement is a vital component in order to achieve overall student achievement.

Our school has hosted an Open House for parents, Grandparents' Breakfast, LHS Athlete Tutoring, a Veterans' Day and Black History performance, and Several Promise Neighborhood showcases.

In Essence, CES is a school where Clinton Cubs have the opportunity to grow academically, socially, and behaviorally in order to become productive citizens in this great nation.
