

HARRISBURG ELEMENTARY 2022-2023 REPORT

HARRISBURG MISSION AND VISION

The mission of Harrisburg Elementary School, in partnership with our students, parents, and community, is to develop responsible and productive lifelong learners by providing a challenging curriculum in a safe and supportive environment.

FIVE FOUNDATIONS OF LEARNING

Be Kind

Be Respectful

Be Responsible

Be Ready to Learn

Be Safe

FROM PRINCIPAL TERYN DALTON:

"We believe that LOVE comes first. Once a child understands that they are loved, they are able to learn effectively and ultimately become leaders in any area they choose. We believe that, together, we can accomplish great things for your child. "

ABOUT OUR SCHOOL

Harrisburg Elementary is the northernmost school in Lancaster County. We are located just south of the North Carolina line. We opened our doors in 2014 and are now the proud home to over 1100 students. Our 65 teachers and 20+ support staff team members share the common vision of building tomorrow's future through love, learning, and leadership. As our community continues to grow and expand at rapid rates, we believe that our goal is to remain consistent in a first class experience for each of our families. Our hope is that our families will feel like welcome additions to Tomahawk Nation and that every child will leave each day with a smile on their face.
