

What the firearm law says

“The board and the administration want to be sure parents and students understand that these laws are in place.”

**Superintendent

The district board of trustees must **expel for no less than one year** a student who is determined to have brought a firearm to school or any setting under the jurisdiction of a local board of trustees.

- ✓ The expulsion must follow the procedures established pursuant to Section 59-63-240.
- ✓ The one year expulsion is subject to modification by the district superintendent of education on a case-by-case basis.
- ✓ Students expelled pursuant to this section are not precluded from receiving educational services in an alternative setting.
- ✓ Each local board of trustees is to establish a policy which requires the student to be referred to the local county officer of the department of juvenile justice or its representative.
