Purpose of Title I

Title I is a federal program that provides opportunities for the children served to acquire the knowledge and skills necessary to meet challenging state content standards.

- Title I resources are distributed to schools where needs are the greatest, in amounts sufficient to make a difference in the improvement of instruction.
- Title I coordinates services with other educational services and, to the degree possible, with health and social services programs.
- Title I provides great decision-making authority and flexibility within the schools and for teachers. However, greater responsibility for student performance is the exchange made for this flexibility.

- Measures are taken to include teachers in decisions about assessment.
- Activities are conducted to ensure that students with learning difficulties receive assistance.

Parent Engagement

Parental engagement is an integral part of the Title I program.

- Parents are encouraged to become partners in helping their children achieve and become actively involved in all aspects of the process of the Title I program, from the writing of the plan to its implementation and evaluation.
- A strong connection between the home and the school is a key element in student success.
- Materials, strategies, and help from teachers are available to all parents within a Title I school.
- Opportunities for active parent participation should include, but not be limited to, open house, parent workshops, school-parent compacts, home visitations, parent-teacher organizations, conferences, newsletters, and more.
- The *Every Student Succeeds Act (ESSA)* legislation requires schools to utilize a portion of their Title I funds to support parent involvement.
- Parents should contact the school principal with any comments or suggestions regarding the school's parent involvement expenditures.
- Schools will provide learning opportunities for families to support student achievement.

Parent Engagement Policy and School-Parent Compact

Each Title I school receives input from parents for the development of a parent engagement policy and a school-parent compact.

- The parent engagement policy explains how the school plans to work with parents to review and improve parent programs and describes how parents can participate in planning these programs.
- The school-parent compact outlines how parents, the entire school staff, including the principal, and the students will share the responsibility for improved student academic achievement and the way in which the school and parents will build and develop a partnership to help children achieve the state's high standards.
