

We **need** school bus drivers

Lancaster County School District
is **now hiring bus drivers** in your area.

If you aren't working and drive your children to school, **why not get paid** to take them?

And we'll **pay for the fuel, too**.

Driving a school bus is a great way to **serve** your community, **make extra income** and **help** your schools.

You will have:

- **Paid training**
- An opportunity **for full benefits to include health insurance, sick leave and retirement**
- Split hours make it **easy for retirees; stay-at-home moms and dads,** and **students at least 21 years of age** or anyone else who wants to earn extra supplemental income

Please call the Safety and Transportation Office
at (803) 285-6009 **to learn more**
